Title of Paper (hereinafter, "the work"):

Author(s):

The undersigned hereby assigns all copyright rights in and to the above work to the Taiwan Fuzzy Systems Association. The undersigned hereby represents and warrants that the work is original and that he/she is the author of the work, except possibly for material such as text passages, figures, and data that clearly identify the original source, with permission notices from the copyright owners where required. The undersigned represents that he/she has the power and authority to make and execute this assignment.

In return for these rights, the Taiwan Fuzzy Systems Association recognizes the retained rights noted in Items 1 and 3 below, and grants to the above authors and employers for whom the work may have been performed a royalty-free license to use the material as noted in Items 2 and 3. Item 4 stipulates that authors and employers must seek permission to republish in cases not covered by Items 2 and 3.

1. Employers (or authors) retain all proprietary rights in any process, procedure, or article of manufacture described in the work.
2. Authors/employers may reproduce or authorize others to reproduce the above work, material extracted verbatim from the above work, or derivative works for the author from the above work, or derivative works for the authors personal use or for company use provided that the source and the Taiwan Fuzzy Systems Association copyright notice are indicated, that the copies are not used in any way that implies Taiwan Fuzzy Systems Association endorsement of a product or service of an employer, and that the copies themselves are not offered for sale.
3. Authors/employers may make limited distribution of all or portions of the above work prior to publication if they inform the Taiwan Fuzzy Systems Association of the nature and extent of such limited distribution prior thereto.
4. For all circumstances not covered by Items 2, and 3, authors/employers must request permission from the Taiwan Fuzzy Systems Association to reproduce or authorize the reproduction of the work or material extracted verbatim from the work, including figures and tables.

In the Event the above work is not accepted and published by the Taiwan Fuzzy Systems Association or is withdrawn by the author(s) before acceptance by the Taiwan Fuzzy Systems Association, this agreement becomes null and void.
